EPIC FOOT SAFARI - BOTSWANA

This is a walking safari of epic proportions as you traverse the densest elephant country in the world. You will bridge, on foot, the Okavango and Linyanti swamps of Botswana's north west.

DAYS 1 – 2: JOHANNESBURG, SOUTH AFRICA / MAUN, BOTSWANA / OKAVANGO DELTA

On arrival in Johannesburg, you will connect with your flight to Maun in Botswana and onto your first safari camp. Here you enjoy two nights, acclimatising and partaking in traditional safari activities. This also enables an opportunity to rehearse walk procedures.

DAYS 3 – 7: OKAVANGO DELTA / LINYANTI

The area through which you walk is true wilderness, far from civilisation. Escorted by two of Africa's best walking guides, you will cover approximately 130 km (80 miles) over six days through the thickest elephant country

in the world. With the potential of encountering lion, buffalo and leopard on foot, this is not for the faint hearted. You will be fully supported throughout by your own private camp, which means a hot shower and a good night's sleep at the day's end.

DAYS 8 – 9: LINYANTI

Spend two rewarding nights of R&R in a luxury tented safari camp, reflecting on your achievements.
