## CAPE YORK HELI ADVENTURE

Spoil yourself with this ride of a lifetime to the North East's untouched tip. Fish for barramundi and prized reef fish from Robinson Crusoe style accommodation in one of the world's last frontiers: The Cape York Peninsula.

### **DAYS 1 – 3: CAIRNS, QUEENSLAND / CAPE YORK PENINSULA**

Your adventure starts as soon as you are picked up from your accommodation in Cairns and transferred to your awaiting helicopter.

Instead of us trying to describe what lies in store, here's how a recent client recounts his experience:

“From the moment we met our stellar pilot until we touched down at Lizard Island four days later, we were off on the adventure of our lives. The bird's eye view was magnificent, and the landings were so special; a picnic and quick swim at a remote waterfall, a couple of hours fishing for barramundi, hundreds of

miles of untouched coastline, meeting the laconic characters that typify the frontier, amongst others. This trip was a one-of-a-kind experience. Bravo! Thanks for the memories!”

### **DAYS 4 – 6: LIZARD ISLAND, GREAT BARRIER REEF / CAIRNS**

Be dazzled by nature's largest living structure on your low level flight over the reef, before landing on the jewel of the reef, Lizard Island.

Relax, indulge in spa treatments, explore the 24 pristine beaches, dive the shallow coral reefs or swim with a family of man-sized potato groupers at the Cod Hole.

On your private air charter from Lizard Island to Cairns you relish in the low-level spectacle of the Ribbon Reefs. From here, you connect with your onward flight.
